RULES AND REGULATIONS

This agreement is subject to and includes the following conditions:

1. Your child must be examined by your physician and dentist. Your medical form **MUST** be submitted to the camp office prior to your child's departure to camp.
2. The camper and his/her parents agree to abide by the rules and regulations set by the Directors for the health, safety and welfare of the camp and its campers and staff.
3. The Directors reserve the right to send home a camper whose physical condition, conduct or influence is deemed unsatisfactory or inimical to the best interests of the camp.
4. No reduction or allowance is made for the late arrival of a camper.
5. No reduction or allowance is made for the early withdrawal of a camper.
6. Program is subject to change without prior notice.
7. In the event of any emergency in which the parent cannot be contacted, the Directors reserve the right and are hereby authorized to have the camper hospitalized, or to use outside medical, surgical, or dental aid. All such expenses shall be paid by the parent, if not otherwise covered by the camp's Health & Accident Insurance Policy. It is important that you keep Trail's End Camp informed of your summer address.
8. We suggest that you consult your insurance agent to make sure that your child's equipment and personal belongings are covered while in transit or at camp. The camp is not responsible for such loss or damage by fire, theft, laundry, etc.
9. Acceptance and execution of agreement will be completed upon acknowledgement of receipt of your payment by Trail's End Camp. All jurisdictions waived except Pennsylvania.
10. This is the entire agreement. There are no other terms or agreements that are not contained herein.
11. No change to this agreement may be made unless in writing and signed on behalf of TRAIL'S END CAMP by the president of R.R.S.C., Inc.
12. I understand that part of the camping experience involves activities, group living arrangements and interactions that may be new to my child. These things come with certain risks and uncertainties beyond what my child may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my child. I realize that no environment is risk-free and so I have instructed my child on the importance of abiding by the camp's rules. My child and I both agree that he or she is familiar with these rules and will obey them.
